

Delta Solutions and Strategies, LLC

Colorado Springs, Colorado

Delta Solutions and Strategies is a veteran owned small business that provides clients in the public and private sectors with comprehensive professional, organizational and technical decision-making consulting services. Frequent contact with service members and their families is a hallmark of the caring management team that practices encouragement, guidance, gratitude and praise for those serving in demanding duties. Delta Solutions and Strategies provides full pay for 30 days while service members perform military training, professional military education or active duty. For duty exceeding 30 days, service members typically receive sizeable bonuses when returning to Delta. Delta vigorously and financially supports the expansive Colorado Springs military community. The company donated over \$18,000 to local military and veteran service organizations. www.deltasands.com
